Information for applicants

背景

自 2003 年起，旅游奖学金已为中国内地和香港特区各家植物园的职员提供，目的是促进中国内地和香港特区各家植物园之间更紧密的工作关系和联系。我们认为，让植物园的职员在另一个地区实习，不但有助互相交流经验，也可带来更多合作机会，进一步加强各植物园为保护中国内地和香港两地植物所付出的努力。

在 2008 年，嘉道理农场暨植物园将联同国际植物园保护联盟提供最多八个奖学金名额，给中国内地植物园和植物保护机构的职员申请。

Background

Travel scholarships have been offered to botanic garden staff from Mainland China and Hong Kong SAR since 2003.

The travel scholarships are intended to support closer working relations and linkages between mainland China and Hong Kong SAR botanic gardens. It is envisaged that the placement of staff in botanic gardens outside of their region will promote the sharing of knowledge and lead to collaborative projects to further improve botanic gardens efforts to conserve plants in Mainland China and Hong Kong SAR.

In 2008, KFBG continues to work with BGCI to offer up to 8 scholarships to staff from botanic gardens and plant conservation organisations from Mainland China to visit KFBG in Hong Kong SAR
