

# Botanic Gardens Conservation International (BGCI)

## 2012 Membership Categories

**Founded in 1987, BGCI is a global force for plant conservation.**

From grassroots action to global policy initiatives, BGCI mobilizes and engages a global network of over 2500 botanic gardens and partners in some 120 countries to save *plants for the planet*.

**BGCI's INSTITUTION members receive numerous benefits:**

- Opportunities for involvement in joint conservation and education projects
- Tools and opportunities to influence global conservation policy and action
- Botanic Garden Management Resource Pack (upon joining)\*
- Regular publications:
  - *BGjournal* – an international journal for botanic gardens (2 per year)
  - *Roots* – our global environmental education review (2 per year)
  - A wide range of publications and special reports
- Invitations to BGCI congresses and discounts on registration fees
- BGCI technical support and advisory services
