

100 Facts Plant Life

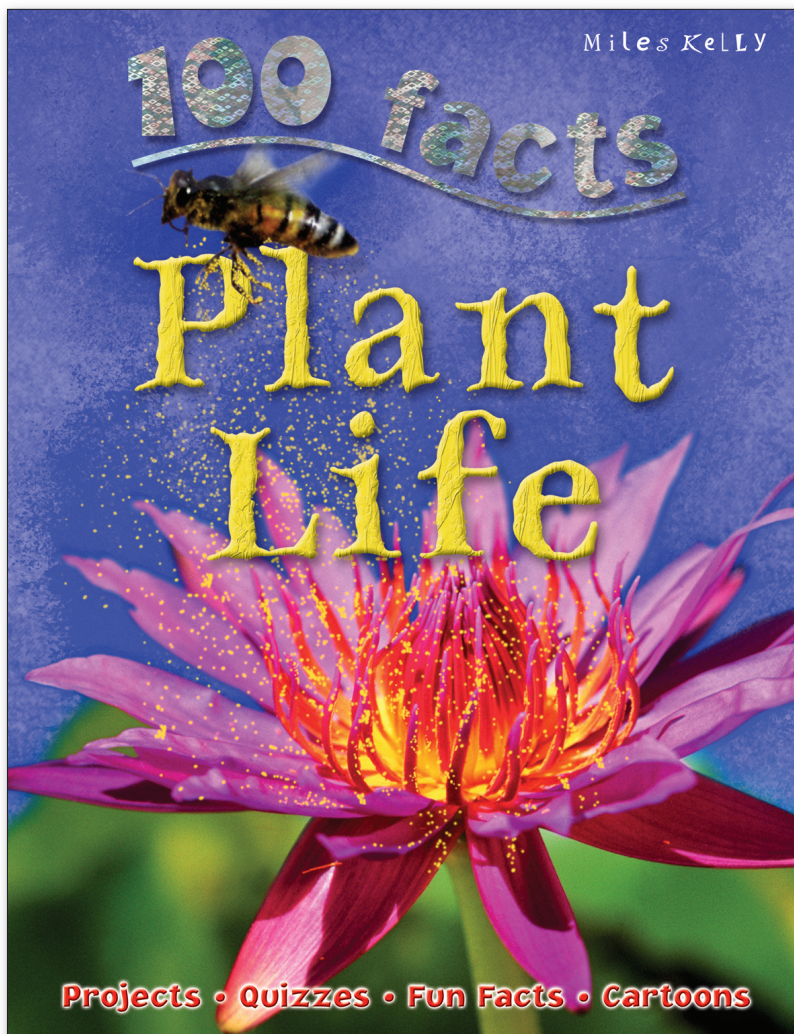

Ages: 7–10

The fantastically successful *100 Facts* series takes an in-depth look to reveal the life of plants in this brilliant book. Discover some of the many different species, and how they survive in the driest, wettest and coldest environments on Earth. Learn about the inner workings of plants, how some have learnt to live together with animals, and what steps people can take to make the future greener. Exactly 100 numbered facts will challenge children, acting as an incentive as they make their way through the book. Packed with beautiful artwork and photographs, and featuring fun panels containing activities, quizzes and hilarious cartoons, *100 Facts* is the perfect introduction to this fascinating topic.
